

Sacred Worship Committee Notes
March 8, 2011

Present: Winnie Evans, Sue Fox, Pauline Riedl, Jean Sahr, Sue Soriano, Tom Lella

Items discussed:

- ❖ Area-wide Mission Review
It was well received and successful. There were many positive comments. People seemed to mix during the social afterwards.
- ❖ Stewardship of Time and Talent
We struggle with having people re-commit each year. As a result we make many phone calls to those currently on the minister list who did not return their form. Most of the time the answer is yes. A couple options were surfaced. One is to ask the Stewardship Committee to make the calls, as they are also not sending post cards to this ministry group. The other is to keep the ministers on the list, unless they tell us to take them off.
- ❖ Lent 2011
The schedule was mailed and was received during the week. A few things to note:
The Easter Vigil will be at 8:30pm at both parishes. Exposition and Stations will be held on Wednesdays from 5:45 to 6:30pm at St. Michael.
- ❖ SCAP Policy
Attached is the procedure/policy and a sample bulletin announcement covering what will be done in the event that one of the priests becomes unable to preside at Sunday liturgies. The Committee approved the attached document and now sends it to the Parish Council.
- ❖ New Translation
There will be a regional workshop at St. Michael on March 19 given by Chris Carstens on the new translation of the Roman Missal which will be effective in Advent.
