

# Resurrection and St. Michael Faith Formation Program

2011-2012

Students are expected to attend all classes.

If your child(ren) will be absent, please contact our office prior to the start of the session they attend at 715-842-1810.

As families we ask that you work together with us on your young person's faith development.

We have many resources to achieve this; some resources will be distributed weekly. Additional resources are available in the Religious Education room, located on the second floor of the school in room 215. Please feel free to stop in at any time.

Parents/Guardians are always welcome to attend the class sessions at any time. There are a few sessions that one parent/guardian are to attend as a family, they are marked with a "\*".

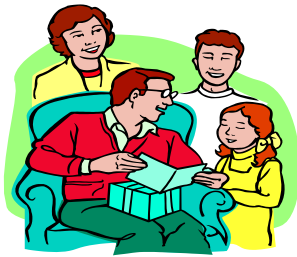

All sessions are held at St. Michael on Wednesday evenings, unless otherwise indicated.

Early Session 4:15-5:30
